Cancellation Fee Policy

Premier Mountain Adult Medicine is committed to providing all our patients with exceptional care. When a patient cancels without giving notice, they prevent another patient from being seen. With that said – we understand that there are times when you must miss a scheduled appointment due to emergencies and/or obligations for work or family. Conversely, the situation may arise where another patient fails to cancel and we are unable to schedule you for a visit, due to a seemingly “full” appointment schedule.

Therefore, **if you need to cancel and/or reschedule an appointment you are required to call no later than 24 hours prior to the scheduled appointment time.** If you need to cancel/reschedule a Monday appointment – you must call prior to close of business on the Friday before.

If an appointment is not cancelled at least 24 hours in advance of your scheduled appointment time you will be charged a thirty-five-dollar (\$35) fee; this will not be covered by your insurance company and must be paid prior to your next visit. Multiple non-cancellation/No-show events in any given 6-month period may result in termination from our practice.

Late Arrival Policy

Premier Mountain Adult Medicine understands that delays can happen- however, we must try to keep the other patients and doctors on time. If a patient arrives 10 minutes or more past their scheduled appointment time, we will have to reschedule the appointment.

FINANCIAL POLICY

Welcome and thank you for choosing Premier Mountain Adult Medicine as your healthcare provider. We are committed to delivering the highest quality of care at the lowest possible cost. The following is a statement of our financial policy that we require you to read and sign prior to any services being rendered.

Please be aware that some, and perhaps all, of the services provided may be non-covered services that are not considered reasonable and necessary by your insurance carrier.

Participating Insurance Plans

For those plans with which we are participating providers, all co-pays and deductibles are due at the time of service. In order to properly bill your insurance company and avoid untimely delays, we require that you provide us with accurate insurance information and allow us to maintain a copy of your insurance card on file upon each visit. In the event that your insurance coverage changes to a plan with which we do not participate refer to the following paragraph.

Non-Participating Insurance Plans

For those plans with which we do NOT participate- we do not accept assignment of insurance benefits and we do not bill your insurance company. Payment(s) by cash or credit /debit card are expected at the time of service. Your policy is a contract between you and your insurance company.

Authorization to pay Benefits to Physician/Office

I hereby assign payment directly to Premier Mountain Adult Medicine for medical and/or surgical benefits- if any- otherwise payable to me for services provided at the clinic. Not to exceed my indebtedness to the clinic for those services. I understand that I am financially responsible for any charges for provided services not covered by my insurance, this includes charges that apply to co-insurance and/or deductibles – said charges are due at the time of service.

Authorization to Release Information

I hereby authorize Premier Mountain Adult Medicine to release any information acquired during my examination or treatment to my referring physician and/or my insurance company.

Account Balances

We will require that patients with outstanding balances do pay their account balances to zero (0) prior to receiving further services by our practice. Patients who have questions about their bills or who would like to discuss a payment plan option may call and ask to speak to the Office Manager with whom they can review their account and concerns. Patients with balances over \$100 must make payment arrangements prior to future appointments being made.

Acknowledgement

I have read and understand the above Financial Policy and Benefits Authorization and agree to adhere to the provisions outlined herein.
